2023-2024 DAUPHIN KINGS Partnership Opportunities

The Kings Tradition...

The Dauphin Kings are a very proud and historic hockey club located in the Manitoba Junior Hockey League. The Kings joined the MJHL in 1967, every season since the community of Dauphin has been treated to exciting hockey with seven MJHL championship seasons along the way. The team also features numerous off ice attractions during games which are fun for the whole family!

The Kings have moved numerous players to the next level, including NCAA Hockey, the National Hockey League and are looking to continue that tradition moving forward.

This is the Kings' 56th MJHL season and with your support we're hoping it will be one of the best!

The Dauphin Kings Impact

Annually the Dauphin Kings have a big impact in Dauphin and the Parkland area.

When it comes to the Parkland the Kings have a 1.5 million dollar economic impact on the area. The team spends about 80% of their budget (Roughly \$500,000) in and around the Dauphin area.

Partnering with the Dauphin Kings is one of the best ways to help your business get more exposure!

For example: If you were to sponsor a PA
Announcement for an entire season an average
of 700 people would hear that a number of times
on a nightly basis. Multiply that by 30+ home
games and we're talking about exposure to
20,000+ people throughout the hockey season!

That's just the people that go to Kings home games. That's not including social media and viewers on HockeyTV!

In a monthly window the Kings Twitter account has roughly 400,000 people viewing the team's tweets.

Why work with us?

The Dauphin Kings are an important part of the City of Dauphin and the surrounding Parkland communities. During the winter everyone is talking about the Kings, whether it's during the breakfast hours in Tim Hortons or the lunch rush at Corrina's or Smitty's.

Not only do the Kings offer great hockey action, they offer numerous other activities on game nights that are affordable for the whole family!

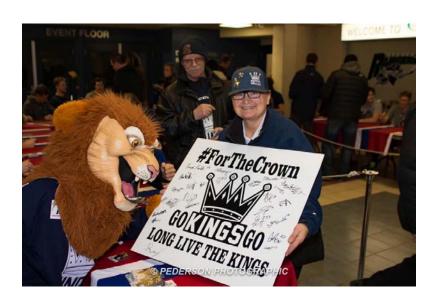

The Kings average 700 fans a game throughout the season and upwards of 2,000 fans on our big game sponsor nights.

When discussing stability, innovation and professionalism on a league level the Dauphin Kings are viewed as a model to follow.

The MJHL's <u>best</u> for online exposure.

The Kings boast the best website in the MJHL. With daily posts, fans across the globe are always up to date with their favourite hockey

It doesn't stop there. The Dauphin Kings are the most followed MJHL team on Twitter (Over 4,500) and have 5,000 fans on Facebook with posts reaching an average of 3,000 people on a daily basis in the winter. This year we're offering even more options for online and social media exposure. Feel free to browse our website and see just why people across the planet love following us!

Kings In The Community

The Kings are no doubt role models within the community, and for good reason! The 2022-2023 hockey season saw the team out in Dauphin for numerous initiatives. The Kings participate in school visits, appearances for "I Love To Read Month" and of course the Dauphin Friendship Centre's "Food For Thought Program" for schools in the Dauphin area.

The Kings also help out throughout the minor hockey season, attending practices and working with the young players of tomorrow. That's just the tip of the iceberg!

FUN FACT: Kings players volunteered over 1,500 hours in the community in 2019-2020!

Be sure to watch for the Kings throughout the community in 2021-2022, as players continue to volunteer their time to help contribute to this wonderful area!
